Beirut, 25 September, 2026
Our Ref: F. 2250 /AS 72.10

To: Beirut Traders Association
Att.: President, Board Members and Secretariat

Subject: Invitation 15th Arab-Hellenic Economic Forum – Athens, 25–26 November 2026

Dear Mr. President,

I have the honor to inform you about the forthcoming **15th Arab-Hellenic Economic Forum**, organized by the Arab-Hellenic Chamber of Commerce and Development, which will take place on **25–26 November 2026 in Athens, Greece**, under the theme “**Overcoming Challenges, Forging our Way Ahead.**”

This year's Forum will focus on **energy, construction and related sectors**, bringing together Arab and Greek business communities and stakeholders to discuss current challenges, explore opportunities for cooperation and investment, and strengthen business partnerships.

The Forum will address a range of topics, including **conventional and renewable energy and related projects, energy storage and distribution, artificial intelligence and its applications in energy projects, construction and infrastructure, modern buildings and ecosystems, building materials and recycling, as well as the role of artificial intelligence in construction.**

The two-day program will feature **panel discussions, fireside chats, workshops and roundtables**, providing opportunities for participants to exchange views and explore potential areas of cooperation. The Forum will also offer **intensive networking and B2B opportunities** throughout the event. The program will be held alongside the **4th Greece–GCC Countries Business Gathering**, adding a further business dimension to the event.

In view of the relevance of these sectors to Lebanon and the potential for developing business partnerships between Lebanese and Greek companies, we would greatly appreciate your assistance in **sharing the information among relevant companies, business associations and professionals within your network.**

Lebanese companies and business representatives interested in participating are most welcome to attend the Forum and take advantage of the opportunities for networking, B2B meetings and the exploration of potential partnerships with Greek and other Arab businesses.

For further information and registration, please refer to the relevant Forum material and the website of the Arab-Hellenic Chamber: <https://tinyurl.com/2pe9hbpp>

We remain at your disposal for any further information or clarification.

Sincerely yours,

Head of Office
Christina Argiropoulou
First Counsellor for Economic & Commercial Affairs
